MMTA Piano Syllabus & Examinations

Exam Day Reminders

Exam Date: _____ Site: _____

Student Number: _____ Exam Time: _____

Today's the day! You've worked hard to prepare for this piano exam and now it's time to show what you've learned. I hope you get a good night's sleep and eat a good breakfast on exam day so that you're in peak condition to perform. Here are some reminders for the day.

- Check out the location in advance. How long will it take to get there? Are there any road construction projects to avoid?
- Plan to arrive 15 minutes before your scheduled time, to check in at the registration desk.
- Bring all the books for the repertoire you play. Number measures in the score.

- Are you using a digital score (music you bought online and printed)? Be sure to bring a signed copy of the Digital Music Waiver Form.
- Be aware of the MMTA Absence and Cancellation Policies:
 - *No refunds are granted if a student is unable to participate once registered for an event.*
 - *If a student is absent from the scheduled exam due to illness or family emergency, the Program Director will need to give permission for the student to be re-registered for the exam at a later exam date.*
 - *An event may be cancelled/postponed for various reasons, including adverse weather and driving conditions. Registered students may re-register for the rescheduled date or at a different site within six months of the original event, at no additional charge.*
- Exam sites have volunteers who are there to help you find your room and answer questions if you have them. Just ask!
- The judge will call your number/name when it's your turn to enter the exam room.
- When you're finished with the exam, make sure you take all your music books home again.
- Critiques will be mailed to your teacher after the exam.

Congratulations! Your hard work is an investment in your music education. Whatever happens on exam day, you've learned a lot just by taking on the challenge of preparing for the exam. Celebrate what went well!
